

Youth Worker Corner @ LMRC

The Young Women's Leadership program is aimed at providing leadership and confidence building through creative art mediums. Workshops include drama which promotes self esteem and public speaking skills, healthy ways to deal with stress, self expression through arts and crafts, career exploration and future goals, team building exercises that promotes healthy team work and effective communication. The pilot program was run in partnership with Liverpool Youth council. For more information or to join future sessions contact Shabnam on 9601 3788 or email youthworker@lmrc.org.au.

A youth play conducted with young people of a refugee background that focused on the journeys and life experience on arrival to Australia. It aims at promoting community awareness and knowledge around the refugee experience. The DVD production will be available during the end of July 2010. The program worked in partnership with Lurnea IEC, Powerhouse Youth Theatre, and VSS Studios. For information on the DVD please contact Shabnam on 9601 3788 or email youthworker@lmrc.org.au
